MOTO 101

Details:

Our Dirt Bike School is a fun, one day, hands on training session which will give you all the essentials and skills to ride your bike as well as give you the confidence and complete understanding of safe racing and the basic skills of responsible riding.

1 Day Course
8:30 am—3:30 pm

Bring your bike, enough fuel for the day.
MANDATORY GEAR NEEDED
(helmet, boots, gloves and goggles).

Lunch included: hotdogs, chips, drink and dessert

You will learn:

Bike Setup

-  Terminology
-  Body Positioning
-  Functions
-  Gear
-  Track Etiquette

Track Time:

Will be broken into small groups covering the following: starts, cornering, straights, lines, braking, whoops and basic jumps.

Free riding time: Broken into small and big wheel bikes and riding ability. 10 minute riding segments with instructor giving pointers when needed.

Questions and Answer Time

Moto 101 certificate at the end of the day.
