**Thank you for buying a membership for the KDBC. Buy choosing to buy a membership you are showing pride in being part of a great club and track.**

**KDBC is run by volunteers only.**

**It is not the executive's track, it is the members track. In having said this, we expect all members to be involved in the club by volunteering their time. There are many ways to help keep your track in prime condition. Each week there is watering, grooming, rock picking, general clean up and maintenance that need doing, there will also be work parties to come and help at. We will be holding two races and a charity event this year which require many hands to make it run successfully.**

**Check the website for ways to lend a hand.**

**By purchasing your membership you are saying you will help volunteer time at the track. By you participating and helping we reduce our expenses which allows us to make improvements to the track. (ie; a well, next large project is to purchase equipment)**

**If by the end of the year you have not fulfilled your part and volunteered some good quality time, then your membership pass could be revoked in 2013.**
